Welfare

Welfare arrangements are supplied to be supplied by the building management. These should be in line with Schedule 2 of the Construction Design & Management Regulations 2015 (CDM). Sites are to have a minimum amount of welfare facilities available for workers, which include, on this occasion, the following:

- Toilets
- Washing facilities
- Drinking water

First Aid

Refer to the onsite safety notice board for all first aid information.

A first aid box and eye wash station with equipment to cope with the number of workers on site is stored in each of our vehicles, on the occasion two vehicles will be in attendance.

The number of appointed first aiders shall be dependent on the number of employees, on this occasion one first aider will be attendance.

A copy of first aid training for Christopher Knight can be provided via email, in person upon request or via the download section on our website.

Emergency procedures

The client or principal contractor will ensure that the existing site emergency procedures are followed and that relevant information is given to operatives at time of induction or when changes are made to procedures.
